### **Activities:**

- Secretary SympLAS (symposium committee Study Association Atlas)
- UU student think tank (educational innovation and project-based studying)
- Secretary in the board of study association Atlas

## **WORK EXPERIENCE**

**Board: function Secretary of study association Atlas—March 2023 to June 2024**

Within the board of the Atlas study association, which is linked to my Bachelor's degree Liberal Arts & Sciences, I am responsible for the association's e-mail contact and the membership system, among other things. I also manage various topics such as our confidential contacts, the "How to deal with transgressive behavior" information sessions and I am the Vice-Commissioner for Education, which means that I am in close contact with the program committee and the study advisors.

**Organizer Wellbeing Week Utrecht University – January 2023 to June 2023**

As organizer of Utrecht University's Wellbeing Week, I and my colleague are working on 60 different workshops that took place in the week of 8 to 17th May 2023. These workshops are in the context of wellbeing. Within this position I was fully responsible for the collaborations with partners and the logistical challenges surrounding the Wellbeing Week.

## WORK EXPERIENCE

### **NJR UN Youth Working Group Member –August 2021 to April 2023**

Within the working group I mainly managed the social media channels (think of the layouts for posts, promoting posts and more), designed guest lectures and participated in the organization of events such as the Youth Café; a dialogue table where we discuss various current topics with young people.

### **SPRINT (NJR) –Feb. 2022 to June 2022**

During *NJR*'s SPRINT trajectory I followed several masterclasses and did an internship at Stem Op Een Jongere. Here I learned a lot about the organization and management of the foundation, fundraising and I was able to work together with other political youth.

### **Things I Wish I Knew project –Januari 2021 tot Juni 2021**

The 'Things I Wish I Knew' project was created by me and a team of students during an assignment within my former education. The aim of the project was to create more representation about queer people of color. We did this in collaboration with the queer community in the Netherlands. I handled the interviews, storytelling and acquisition of any funds. In the end, we made a short film with a collection of stories from the queer community in the Netherlands.

### **Event Planner –2020 to Present**

During my work as an event planner, I am intensively involved with my clients, but also with the administrative work behind the scenes. Budgeting, taking minutes, making phone calls, managing appointments and site visits are a big part of my job.

In addition, I ensure the satisfaction of my clients by working discreetly and carefully during this busy, pleasant but sometimes stressful period in their lives. Among other things, I use my network to serve my clients in their

### **Website Design –2019 to Present**

I have been designing websites for a long time. I also do a lot with Social Media and I make sure that the layout is always representative, intriguing and clear.

### **Ronald McDonald House volunteering –2019 to mid-2020**

I worked as a volunteer at the Ronald McDonald House in Veldhoven for a while. Here I was a hostess, I made sure everything was ready for the new guests and I made sure that the entire building remained clean. I also did a lot of administration.

### **Singer/Songwriter –2017 to Present**

I've been writing songs for a long time. Now I also help others write their songs.

Not always for a fee, since this is simply something I like to do in addition to my other activities.

### **Jumbo, Boutenslaan Eindhoven –May 2017 to Sept. 2018**

**Function:** Cashier and counter assistant

### **H&M, Eindhoven -June 2018 to August 2018**

**Function:** Sales-Advisor (Summer job)

### **Internship Máxima Medical Center, Veldhoven –2016**

In the third grade I did a short internship with a stomach, intestinal and liver doctor. This was very educational and I learned a lot about the procedures and administration in a hospital.

I was also allowed to go through their treatments with patients.
